

This is a detailed topographic map of the Adirondack Park region in New York. The map features a grid system with northings (T 12 N, T 11 N) and westings (R 37 E, R 38 E). Key geographical features include the Adirondack Park National Forest, several canyons (Cottonwood, Sugar, etc.), and numerous mountains and peaks. The map also shows various towns, roads, and water bodies. The terrain is characterized by dense contour lines, indicating steep slopes and high elevations. The map is oriented with North at the top.
